Overview

Dennis is one of the nation's leading authorities in the rapidly changing business of healthcare. However, his true gift is personal, team and leadership development.. That is where the highest ROI shows up. Dennis is a highly trained executive coach in multiple modalities whose personal experience drives his interactions to ensure personal objectives are aligned with the global corporate desired outcomes. He acquired extensive business experience as a serial entrepreneur and through diverse positions in Fortune 50 financial firms. He has served as:

- The Founder of Sportcraft Unlimited
- The Founder and CEO of Gaslight Inc.
- A Vice President of Dean Witter Reynolds
- A Principal of the New York Stock Exchange
- A Vice President for American Express
- The CEO of Tilt Incorporated.
- The Co-organizer of TEDx Seattle
- The Founder and CEO of the Inspirit Leadership Group
- Managing Partner and Director of Fortune Practice Management

Dennis has an uncanny ability to simplify complex business concepts and turn data into clear, actionable priorities that transform business results. Whether managing portfolios, growing private businesses, fortune 50 financial firms, or entrepreneurial business, Dennis has always taken a very metrics based approach. He has a remarkable ability to understand data and teach others to break it down and take actionable steps that make incredible changes to their lives and business.

Dennis has a strong track record facilitating extraordinary growth through his awareness and understanding of team performance and business metrics. Dennis believes that you should design your business to support your life so your business can be a catalyst for you to create an extraordinary life.
